**LETTER OF CANDOR REGARDING PATENT TERM ADJUSTMENT**

Dear Sir:

Applicant submits this Letter of Candor to notify the Office of a potential question regarding the 61 days of patent term adjustment that the Office computed for the period running from December 11, 2007, to June 11, 2008. Applicant understands that the Patent Office's position is that the 61 days of PTO-delay determined for that period is correct, as the successful pre-appeal brief panel review process rendered the advisory action and notice of appeal moot in terms of patent term adjustment. Applicant understands that this is because the pre-appeal brief review process is still a pilot program. Because the rules do not appear to address this situation, however, Applicant is submitting this Letter of Candor to make this point of record. If the Office

would like to discuss this issue further with the undersigned, the Office is invited to call the undersigned at (312) 913-2141.

Respectfully submitted,

**McDONNELL BOEHNEN  
HULBERT & BERGHOFF LLP**
